2016 Applications Now Open for the Levitt AMP [Your City] Grant Awards

\$25K matching grants will bring free concerts to small and mid-sized towns and cities

July 15, 2015—Calling all small to mid-sized towns and cities across the country: America's largest free outdoor concert series is, once again, putting the spotlight on you!

The **Levitt AMP [Your City] Grant Awards** is an **exciting matching grant opportunity**, created by Levitt Pavilions, serving small to mid-sized towns and cities with populations up to 400,000. 10 nonprofits, or municipalities partnering with a nonprofit, will receive **up to \$25K each in matching funds** to produce their own Levitt AMP [Your City] Music Series—an outdoor, free concert series featuring a diverse lineup of high caliber entertainment. And just like last year, **the public will decide the Top 20 finalists** through an online voting process taking place this

November. So get ready to rally your family, friends, colleagues and neighbors to vote and bring free, live music to your community!

"We're thrilled to once again bring the joy of Levitt to more towns and cities across America," says Sharon Yazowski, executive director of the national nonprofit, Levitt Pavilions. "Levitt concerts create a shared sense of community and connectedness that is incredibly important in today's world. We've seen how the 2015 Levitt AMP winners are making a meaningful impact across America, bringing people together of all ages and backgrounds and reinvigorating neglected public spaces."

The Levitt AMP [Your City] Grant Awards, now in its second year, is an annual creative placemaking grants competition to activate dormant public spaces through free concerts. The acronym "AMP" speaks to the goals of the grant awards, which are threefold:

- **Amplify** community pride and the city's unique character
- Enrich lives through the power of free, live **Music**
- Illustrate the importance of vibrant public **Places**

While Levitt's celebrated signature program of permanent outdoor music venues, each presenting 50+ free concerts annually, is tailored to large cities with populations of over 400,000 (due to financial sustainability and audience development considerations), the Levitt AMP [Your City] Grant Awards are specifically designed to meet the needs and capacity of smaller towns and cities.

This year's 10 Levitt AMP winners (each eligible to reapply for a 2016 Levitt AMP grant) include: the Anchorage Downtown Partnership (**Anchorage**); Downtown Bellingham Partnership (**Bellingham, Wash.**); Rector & Visitors of the University of Virginia (**Charlottesville, Va.**); Delta State University Foundation (**Cleveland, Miss.**); Denison Main Street Inc. (**Denison, Texas**); Downtown Frederick Partnership (**Frederick, Md.**); Lafayette Public Trust Financing Authority (**Lafayette, La.**); Discover Downtown Middlesboro Inc. (**Middlesboro, Ky.**); John Michael Kohler Arts Center (**Sheboygan, Wis.**); and the Trenton Downtown Association (**Trenton, NJ**).

Since these are matching grants, each applicant must secure a dollar for dollar match up to \$25K from other sources such as foundations, businesses, municipalities, 501(c)(3) nonprofits, individual donors, etc. Up to half of the matching requirement may be in-kind, such as donated sound equipment or contributed marketing. Yazowski says the matching grant requirement reflects the organization's overall commitment that Levitt projects be "community-driven with local support."

In addition to the monetary award, Levitt AMP recipients will receive the Levitt AMP [Your City] Toolkit containing valuable resources to help them successfully produce their concert series.

The most competitive submissions will depend upon a variety of factors, including:

- The characteristics of the public space where the free concert series is to be presented—preference will be given to those spaces that are easily accessible to a range of socioeconomic groups.
- A programming philosophy that is inclusive, family-friendly and represents a wide range of music genres, in keeping with the signature Levitt program.
- A proven track record presenting professional quality concerts or community events, or partnering with an individual or organization that has done so.

Online applications are due October 15. Learn more: levittamp.org

Online public voting will determine the Top 20 finalists in November. Levitt Pavilions will then review the Top 20 applications in December and the 2016 Levitt AMP [Your City] Grant Awards winners will be announced January 5, 2016. Funding for the Levitt AMP [Your City] Grant Awards is made possible by the Mortimer & Mimi Levitt Foundation, a private family foundation.
